

# Still Dancing: Life Choices And Challenges For Women

**The Search of my Life** is a true story about Author Norma Garcia who spends most of her years experimenting through life to find true happiness and fulfillment. Her journeys however, prove only to be nothing but broken roads to emptiness. Until one night everything changes while sitting in her car. The answer is finally revealed, available for her to embrace it. But in order to receive the gift presented to her, Norma must let go of the very thing she loves the most....her life.

Beautifully written, this book addresses the heartbreaking realities of infidelity, abortion, and finally her faith in God. Although, some life shattering events will shock you, such as challenges in her dysfunctional upbringing, dealing with a loved one plagued with addiction and reaping the consequences of her own choices, her story will nevertheless inspire you, bring you joy and awaken you with hope.

**Norma Garcia** is owner of Light in the Arts, a Christian company composed of her inspiring art work, such as paintings, music pieces, books and dance performances. As an author, artist, composer and dancer, her passion has always been to reveal the Gospel of Jesus Christ through the Arts. She has two children, Vanessa and Lionel and is currently living in California.
